Dear All,

Last letter of this academic year

The recycling bins are full. The skip is overflowing and the classrooms look a mess. This must mean it is the end of another academic year. A school year seems to pass very quickly or is that just because I am getting older? Who knows?

It has been a busy year and there are people to thank.

The staff: I cannot thank the staff enough for their unwavering support and hard work on behalf of your children. In Perrymount the children's education is always the main driver of our work but just as important, is their happiness and wellbeing.

The children: The children work incredibly hard and their behaviour is excellent. I am never wary of taking visitors around our school as Perrymount children are always working hard and doing their best.

I must especially say goodbye to Year 6. They have been a real credit to our school and I wish every one of them a fantastic time at secondary school.

All of You: Perrymount is a united community. Whether it is helping in a class or raising money for new iPad's it is always a joint effort. A special thank you to those parents who go the extra mile to ensure that the Friends of Perrymount is a PTA we can be proud of.

Summer Cleaning
