

Friday 11<sup>th</sup> October 2024

Dear All,

Life has been very different for Years 5 and 6 this week. While Y6 children along with Ms Thomas, Mr Santamaria and Ms Bakare have been at Broadstone Warren completing activities such as archery, climbing wall, a leap of faith and from what we understand, getting completely covered in mud! Others remained in school and have had a very varied week. They have completed challenges, made a fairground ride powered by electricity, completed science investigations and had a bake off making banoffee pies, with Ms Bourke's Gran to help us!
