Headteachers Newsletter

Dear All,

Happy New Year and what a start we have had!

Monday staff training focused upon lesson planning and how we can become a UN-accredited rights-respecting school. More on this subject to follow.

Tuesday started with a blast. The children came back to a music assembly which everyone really enjoyed. Rock Steady will be coming in to provide extracurricular lessons for KS2 in the second half of this term and I will be writing soon about how your child can sign up.

On Wednesday, cricket lessons with a professional coach started for Years 3 to 6. He will be working with the children every week for this half term. Our regular sports coach will be back next Tuesday 14th January, and he will be working with Nursery through to Year 2.

Yesterday was certainly not the day I was expecting. No power and no heat are not what you want at any time, but especially not in January. Thank you to everyone who responded to our messages so quickly. For those families that we had some trouble contacting, please ensure we have your correct number.

I hope you all enjoyed the break and I look forward to seeing you soon.

Best wishes,
Christine Keen
