Headteachers Newsletter

Dear All,

Just a short newsletter this week as it has mainly been business as usual and trying to avoid the rain.

On Monday the meeting with the 'Family Information Service' was well attended and I hope the information was useful. In our assembly Mr Santamaria awarded prizes for the writing competition held last term and launched this terms competition which is on poetry. He is sending home a letter which will explain this competition in more detail.

Parking on Sunderland Road

I have received an email from a local resident who is upset that cars park across their drive at school's dropping off or collection times. We have also had a phone call from a different resident regarding the same issue. Can you please when parking be considerate of our neighbours' space.

Best wishes,
Christine Keen
Headteacher
