Dear All,

**This Week**

On Tuesday, Year 5 visited the Horniman Museum. Nothing unusual there you might add, except, they were the only school invited and they had the unique opportunity to meet and ask questions of NASA Astronaut Nicole Stott. Going into space and looking at the Earth from above must be such an amazing experience that very few humans have ever seen and to meet someone who has, was incredible. The Horniman Museum has posted on its Facebook page photographs and information about the visit.

Also on Tuesday was the Friends of Perrymount meeting. Thank you to everyone who attended and I am delighted to report that it was agreed that the application to become a registered charity was voted for unanimously. The Friends will keep you updated on the progress of the application.

On Wednesday we had a drama group in school and they worked with children from Nursery to Year 2. The theme was Peter Pan and the children really enjoyed the show.

Yesterday was our Rock Steady Concert. The children who performed were amazing. The show highlighted their achievements and confidence, and everybody who watched it was very entertained. It was a really great way to start a Thursday morning.

**Zones of Regulation Survey**

Ms Chant has sent out an email asking parents to complete a survey on our behaviour strategy, the 'Zones of Regulation'. The survey should not take very long, so please try to find five minutes this weekend to complete it.

**#EasyFundraising**

Sign up to EasyFundraising and when you shop online with your favourite retailers, they'll donate to us.

It's free and your shopping won't cost you any extra - the retailers you shop with will donate, not you!

Plus, sign up today and Perrymount could win a £400 donation.

It really does not cost you anything. For example, this week I made an online purchase and the company gave £1.18 to our school. Each donation may not be huge, but to quote a major supermarket, 'Every little help's'.
